

New England Seafarers Mission

Black Falcon Cruise Terminal

VOLUNTEER

Please contact

Rev. Steve Cushing, NESM (617)443-0282 or Capt. Robert DeFlaminis, MassPort

DATE _____

We have privileges to park in two lots;

1. **MassPort Lot** – Located next to MassPort offices in Terminal Accessed by turning onto Dry Dock Avenue from Summer St. and then taking FIRST right onto Harbor St. You may meet a Boston Policeman here, but tell him you are parking in MassPort Lot. Second Drive Way on right will be entrance to this lot. There will be a Sign that reads “BDC Parking Permit”. A Massport Police Officer will be there. Tell him you are with NESM, and that Capt. Robert DeFlaminis has given permission for NESM volunteers to park there. If the officer tells you that the lot is full, return to Dry Dock Avenue, and continue to drive east to the end. Follow instructions below. My cell phone is 781-526-0146
2. **Coastal Cement** – Located at the eastern end (closest to the harbor) of Black Falcon Ave. It is from here that one way traffic on Black Falcon Ave starts and heads up to the Mission and the Terminal. The lot is semi-circular bounded by a guard rail. On the street side is a one story pinkish building. Park PAST any cars already parked there. Leave Parking Flyer on dash and walk up to dispatchers window in building and tell person inside that you are volunteering today and ask if it’s ok to park here today (They always say yes.) Walk UP Black Falcon to the Mission. My cell phone is 781-526-0146
